

# PythoMy Privacy Policy

Last Updated: May 24, 2019

TechnoRock operates PythoMy. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the mobile app.

This privacy policy discloses the privacy practices for PythoMy. It applies solely to information collected by this mobile app. It will notify you of the following:

- What personally identifiable information is collected from you through the mobile application, how it is used and with whom it may be shared.
- What choices are available to you regarding the use of your data.
- The security procedures in place to protect the misuse of your information.
- How you can correct any inaccuracies in the information.

We use your Personal Information only for providing and improving the mobile app. By using the mobile app, you agree to the collection and use of information in accordance with this policy.

## Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only collect information that you voluntarily give us via Registration and Edit Profile, Ranking System, Quizzes you answer and Comments Section in each lesson you learn and finish from this app, Forums, Expert's Conventions, Seminars & Appointments, Monetary System for our experts, Conversations with your connections (who are your fellow novices or experts), & Feedbacks and Concerns to our admin. We will not sell or rent this information to anyone.

While using our mobile application, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name, e-mail address, username you will use and your specified wished role in this application.

These are the data that will only be posted in public (and subject to administrative purposes like data analytics and reporting and investigation (especially if anything wrong involving it happens)) are your:

1. Full Name (the combination of your First Name (Given Name) and Last Name (Surname))
2. E-mail Address (The online address where we will send you e-mails for account verification and updates about the app)
3. Username (Your alias name to be used in the app)
4. Role in the application (User or Expert) (Your position in the app community)
5. Forums that you created (Your questions or articles to be shared to the whole PythoMy community)
6. Comments in lesson(s) you have chosen to post in and forum(s) you are involved in (Feedbacks and questions in lessons or forums)
6. Score and rank in the leaderboard (Score used in ranking novices and experts to determine their rank (Placement in the community as user or expert))
7. Appointments, Seminars and Activities (posted by experts) (Events conducted by experts)

These data will not be posted in public. It will only be used for administrative purposes like customer support, data analytics and reporting and verification. These data are your:

1. Mobile Phone Number (the number where we send SMS text messages especially for verification)
2. Quiz Results in each lesson (and your answer in the Expert Validation Quiz if you applied as expert) (Results from answering quizzes in lessons and/or expert validation quiz)
3. Money you have earned per month as expert (Salary of the experts per month)
4. Account Verification Status (by E-mail Address) (Status if the e-mail address that you have registered is verified or not)

This data will not be posted in public. It will only be used for investigation if needed especially if something suspicious and illegal happened in certain activities:

1. Conversations with fellow novices, experts and/or the admin (Your private messages with novices, experts and/or the admin)

This data will never be posted anywhere. If you cannot access your account because you have lost/forgotten this, you can save your account access by changing this after you use "I forgot my password." Please make sure to secure this since you are highly responsible for the confidentiality of your account that will be used by you to access our Web and mobile application:

1. Your Password (Your secret key in entering the application)

We will use your information to respond to you regarding the reason you contacted us & to analyze your data and activities in our community we made in this application to learn from you on how to improve our product(s) and its services to you in the future. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request.

Unless you ask us not to, we may contact you via email and Feedbacks & Concerns in the future to tell you about specials, new products or services, or changes to this privacy policy.

Your account is lifetime unless you formally ask us to terminate it and its data involved with it.

### **Your Access to and Control Over Information**

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or Feedbacks and Concerns given on our mobile app:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data. ☐ Express your feedback(s) and concern(s) about our product and its services to you.

## **Security**

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

## **Changes To This Privacy Policy**

This Privacy Policy is effective as of May 24, 2019 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

## **Contact Us**

If you have any questions about this Privacy Policy, please contact us via our e-mail address (pythomy@gmail.com) or Feedbacks and Concerns to directly message our admin.
